

MAI USARE QUESTA FUNZIONE

Non hi perhette di fare controlli. Non usarla per prograhmi da mandare in produzione.

NON POSSO AVERE HODO DI CONTROUDRE IL BULLER E LA DIMENSIONE.

BUGS

Never use gets(). Because it is impossible to tell without knowing the data in advance how many characters gets() will read, and because gets() will continue to store characters past the end of the buffer, it is extremely dangerous to use. It has been used to break computer security. Use fgets() instead.
